The National Monuments Authority (NMA) Online Application Process Portal has been revamped and the SMARAC APP-II has been introduced in NMA Online Portal in place of the older version. This App is required to be downloaded afresh. It is informed that the NMA NOC Portal is having the link for SMARAC App II which is required to be downloaded in mobile having Android operating system by every applicant/Architect. The procedure for downloading and traversing are as follows:

- i. If the users are having android 6.0 (Marshmallow) or above, they have to give permissions to use Location, Camera, Telephone and Storage specifically for the "SMARAC App II"
 - ii. Before accessing the "SMARAC App" the users are required to complete the following steps:-
 - a. Go to Settings
 - b. Go to Apps
 - c. Select Smarac Citizen
 - d. Click on Permissions
 - e. Enable Location, Camera, Telephone and Storage
 - f. Go back to Home Page and restart the phone
 - g. Go to SMARAC App and login with registered E-mail ID, Registered Mobile Number, Token ID as password and Application ID
 - h. Traverse the proposed plot selecting "Polygon option"
 - i. After taking the co-ordinates of the Polygon, take two Photograph of the plot.
 - j. Save the data in mobile.
 - k. Click on "Send" button for final submission.
2. Since there may be interruption in accessing the "BHUVAN" Server through Satellite due to various factors like positioning, cloudy weather or covered sky, it is desirable that fetching of co-ordinates may be attempted in intervals until the polygon is generated.

It is requested that this information may be widely circulated among all the architects/applicants by the local bodies.
